In addition, the approval of each of Proposal 3 and Proposal 4 requires that either of the following two voting requirements be met as part of the approval by an ordinary majority of shares present and voting thereon:

We will also transact such other business as may properly come before the Meeting or any adjournment thereof.

Board Recommendation

Our Board unanimously recommends that you vote "FOR" each of the above proposals.

Quorum

On March 22, 2016, we had 22,479,338 ordinary shares issued and outstanding (excluding treasury shares). Each ordinary share outstanding as of the close of business on the record date, April 20, 2016, is entitled to one vote upon the proposal to be presented at the Meeting. Under our Articles of Association, the Meeting will be properly convened if at least two shareholders attend the Meeting in person or sign and return proxies, provided that they hold shares representing at least twenty-five percent (25%) of our voting power. If such quorum is not present within half an hour from the time scheduled for the Meeting, the Meeting will be adjourned for one week (to the same day, time and place), or to a day, time and place proposed by the Chairman with the consent of the holders of a majority of the voting power represented at the Meeting in person or by proxy and voting on the adjournment. At such adjourned meeting the presence of at least two shareholders in person or by proxy (regardless of the voting power represented by their shares) will constitute a quorum.

Vote Required for Approval of the Proposal

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy and voting thereon (which excludes abstentions) is necessary for the approval of proposals.

In addition, the approval of each of Proposal 3 and Proposal 4 requires that either of the following two voting requirements be met as part of the approval by an ordinary majority of shares present and voting thereon:

- the majority voted in favor of the proposal includes a majority of the shares held by non-controlling shareholder or shareholder who do not have a personal interest in the approval of the proposal that is voted at the Meeting, excluding abstentions; or
- the total number of shares held by non-controlling shareholders and disinterested shareholders (as described in the previous bullet-point) voted against the proposal does not exceed two percent (2%) of the aggregate voting rights in the Company.

For purposes of the foregoing, a "controlling shareholder" is any shareholder that has the ability to direct a company's activities (other than by means of being a director or other office holder of the company). A person is presumed to be a controlling shareholder if it holds 50% or more of the voting rights in a company or has the right to appoint the majority of the directors of a company or its general manager, but excludes a shareholder whose power derives solely from his or her position as a director of the Company or from any other position with the company.

For the purpose of each of Proposal 3 and Proposal 4, including a person who holds 25% or more of the voting rights in the general meeting of the company if there is no other person who holds more than fifty percent of the voting rights in the company; for the purpose of a holding, two or more persons holding voting rights in a company each of which has a personal interest in the approval of the transaction being brought for approval of the company shall be considered to be joint holders.

A “Personal Interest” of a shareholder (i) includes an interest of any member of the shareholder’s immediate family (i.e., spouse, sibling, parent, parent’s parent, descendent, the spouse’s descendent, sibling or parent, and the spouse of each of these) or an interest of an entity with respect to which the shareholder (or such a family member thereof) serves as a director or the chief executive officer, owns at least 5% of the shares or its voting rights or has the right to appoint a director or the chief executive officer; and (ii) excludes an interest arising solely from the ownership of shares of the company. In determining whether a vote cast by proxy is disinterested, the “personal interest” of the proxy holder is also considered and will cause that vote to be treated as the vote of an interested shareholder, even if the shareholder granting the proxy does not have a personal interest in the matter being voted upon

A shareholder must inform our Company before the vote (or if voting by proxy, indicate on the proxy card) whether or not such shareholder is a controlling shareholder (as applicable) or has a Personal Interest (within the meaning as aforementioned), and FAILURE TO DO SO in relation to the vote on each of Proposal 3 and Proposal 4 SHALL BE DEEMED by the Company (absent of statement or other form of written explanation to indicate otherwise, and if voting by proxy, indication on the proxy card) as if such shareholder HAS A PERSONAL INTEREST in said proposals. Therefore, a shareholder who signs and returns a proxy card or voting instruction without actively confirming not to have Personal Interest, will be deemed TO be confirming that such shareholder, and any related party of such shareholder has a personal interest with respect to each of Proposal 3 and Proposal 4. If you believe that you, or a related party of yours, DO NOT possess a Personal Interest and you wish to participate in the vote on either Proposal 3 or Proposal 4, you should indicate the no-existence of a Personal Interest on the enclosed proxy card (if applicable) and should furthermore contact our general counsel, at +972-3-6346450 or Fax; +972-3-6346449, who will advise you as to how to submit your votes for the proposals. If you hold your shares in “street name” (i.e., shares that are held through a bank, broker or other nominee) and believe that you possess a Personal Interest in the approval of either Proposal 3 or Proposal 4, you may also contact the representative managing your account, who could then contact our general counsel on your behalf.

How You Can Vote

You can vote your shares by attending the Meeting. If you do not plan to attend the Meeting, the method of voting will differ for shares held as a record holder and shares held in “street name” (through a broker, trustee or nominee). Record holders of shares can vote by proxy cards. Holders of shares in “street name” will have to instruct their banks, brokers or other nominees on how to vote.

Shareholders of Record

If you are a shareholder of record (that is, you hold a share certificate that is registered in your name), you can submit your vote by completing, signing and submitting a proxy card, which will be accessible at the “Investor Relations” portion of the Company’s website, as described below under “Availability of Proxy Materials.” You may change your mind and cancel your proxy card by sending us written notice, by signing and returning a proxy card with a later date, or by voting in person or by proxy at the Meeting. Except if the Chairman of the Meeting determines otherwise, we will not be able to count a proxy card unless we receive it at our principal executive offices at the above address, not less than forty-eight (48) hours prior to the time fixed for the Meeting.

Please follow the instructions on the proxy card. If you provide specific instructions (by marking a box) with regard to the proposals, your shares will be voted as you instruct. If you sign and return your proxy card without giving specific instructions with respect to Proposals 1 and 2, your shares will be voted in accordance with the recommendations of the Board. The persons named as proxies in the enclosed proxy card will furthermore vote in accordance with the recommendations of the Board on any other matters that properly come before the Meeting.

Shareholders Holding in "Street Name"

If you hold ordinary shares in "street name", that is, you are an underlying beneficial holder who holds ordinary shares through a bank, broker or other nominee, the voting process will be based on your directing the bank, broker or other nominee to vote the ordinary shares in accordance with your voting instructions (by completing and mailing the enclosed proxy card or voting instruction card). Because a beneficial owner is not a shareholder of record, you may not vote those shares directly at the Meeting unless you obtain a "legal proxy" from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the Meeting.

If no instructions are received by the bank, broker or other nominee from you on or before the date established for such purpose with respect to Proposals 1, 3 and 4, the bank, broker or other nominee will not vote your shares (commonly referred to as a "broker non-vote"). If no instructions are received by the bank, broker or other nominee from you with respect to Proposal 2, it may vote at its discretion on that proposal.

Where a beneficial owner has executed and returned a proxy card or voting instruction card, but has not provided voting instructions with respect to any proposals, and the broker, trustee or nominee may not (in the case of Proposals 1, 3 and 4), or does not (in the case of Proposal 2) cast a vote with respect to the proposals, the shares held by the beneficial owner will be included in determining the presence of a quorum at the Meeting, but are not considered "present" for the purpose of voting on the particular proposals. Such shares have no impact on the outcome of the voting on any of the proposals.

Who Can Vote

You are entitled to notice of the Meeting and to vote at the Meeting if you are a shareholder of record at the close of business on April 20, 2016. You are also entitled to notice of the Meeting and to vote at the Meeting if you held ordinary shares through a bank, broker or other nominee that is one of our shareholders of record at the close of business on April 20, 2016, or which appear in the participant listing of a securities depository on that date.

Solicitation of Proxies

Proxies are being distributed to shareholders on or about March 24, 2016. Certain officers, directors, employees, and agents of the Company, none of whom will receive additional compensation therefor, may solicit proxies by telephone, emails, or other personal contact. We will bear the cost for the solicitation of the proxies, including postage, printing, and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares.

Availability of Proxy Materials

Copies of the proxy card, the notice of the Meeting and this Proxy Statement are available in the "Investor Relations" section of our Company's website, www.vblrx.com. The contents of that website are not a part of this Proxy Statement.

PROPOSAL 1

RE-ELECTION OF SEVEN DIRECTORS

Background

We currently have a board of directors composed of nine directors, including two external directors elected pursuant to the requirements of the Companies Law. A director who is not an external director is elected annually and holds office until the next annual general meeting of shareholders following the general meeting at which such director was elected or until his or her earlier resignation or removal pursuant to a resolution of a general meeting of shareholders or applicable law.

Our board of directors has nominated Prof. Dror Harats, Dr. Bennett M. Shapiro, Prof. Ruth Arnon, Mr. Jide Zeitlin, Mr. Jecheskiel Gonczarowski, Dr. Dan Gelvan and Dr. Ruth Alon, the incumbent directors who are not external directors, for re-election as directors at the Meeting.

The Companies Law requires that a person will not be elected and will not serve as a director in a public company if he or she does not have the required qualifications and the ability to dedicate an appropriate amount of time for the performance of his or her position as director of the company, taking into consideration, among other factors, the special needs and size of the company. A general shareholder meeting of a public company at which the appointment of a director is to be considered may not be held unless the nominee has declared to the company, inter alia, that he or she complies with the above-mentioned requirements, and provides details of his or her applicable qualifications.

The following information is supplied with respect to each nominee for election to the Board and is based upon the records of the Company and information provided to us by the nominees:

Prof. Dror Harats founded our company in 2000 and has served as our chief executive officer since our inception. He has been a member of our board of directors since January 2001. Prof. Harats is the Chairman of the Bert W. Strassburger Lipid Center at the Chaim Sheba Medical Center at Tel Hashomer and chairman of its Institute Review Board. Prof. Harats received his M.D. from Hadassah Medical School at the Hebrew University of Jerusalem, Israel, following which he conducted post-doctoral work at the University of California, San Francisco. Prof. Harats is also a Professor of Medicine in the Departments of Internal Medicine and Biochemistry at the Sackler Faculty of Medicine of Tel-Aviv University, Israel. Prof. Harats has also served as a visiting scientist at Syntax Discovery Research. Prof. Harats currently serves as an observer on the board of directors of Art Healthcare Ltd. We believe Prof. Harats is qualified to serve on our board of directors because of his extensive technical and industry experience, as well as his knowledge of our company.

Dr. Bennett M. Shapiro, M.D. has served on our board of directors since September 2004 and as Chairman since 2007. In addition to serving on our board of directors, Dr. Shapiro has been a senior partner at Puretech Ventures, an innovation enterprise, since 2004, and as chairman from 2009-2015; he now continues as a Non-Executive Director of PureTech Health PLC-PRTC. From 1990 to 2003, Dr. Shapiro served as executive vice president, Merck Research Laboratories. Prior to that, from 1970 to 1990, Dr. Shapiro was a professor of the Department of Biochemistry at the University of Washington and served as chairman from 1985 to 1990. Prior to joining the University of Washington, from 1965 to 1970 Dr. Shapiro served as a research associate, then section head, in the Laboratory of Biochemistry of the National Heart Institute of the U.S. National Institutes of Health. Dr. Shapiro also currently serves as an external director on the board of directors of Momenta Pharmaceuticals, various private companies and the Drugs for Neglected Diseases Initiative, an independent, non-profit drug development partnership. Dr. Shapiro previously served on the board of directors of Celera Corporation prior to its acquisition by Quest Diagnostics Inc. Dr. Shapiro received his B.S. in chemistry from Dickinson College and his M.D. from Jefferson Medical College. Dr. Shapiro has been a Guggenheim Fellow, a fellow of the Japan Society for the Promotion of Science and a visiting professor at the University of Nice. We believe Dr. Shapiro is qualified to serve on our board of directors because of his extensive technical and industry background, and his experience serving on boards of directors of companies in our industry, including public companies.

Prof. Ruth Arnon has served on our board of directors since August 2007. Prof. Arnon is an immunologist with the Weizmann Institute of Science in Israel. Prof. Arnon joined the staff of the Weizmann Institute in 1960, and served as vice president of the Institute from 1988 to 1997. Prof. Arnon is a member of the Israel Academy of Sciences, and from 2010 until 2015 served as its president. Prof. Arnon is also an elected member of the European Molecular Biology Organization. She has served as president of the European Federation of Immunological Societies, and as secretary-general of the International Union of Immunological Societies. Her awards and honors include the Robert Koch Prize in Medical Sciences, Spain's Jimenez Diaz Memorial Award, France's Legion of Honor, the Hadassah World Organization's Women of Distinction Award, the Wolf Prize for Medicine, the Rothschild Prize for Biology, and the Israel Prize. Prof. Arnon earned her M.Sc. in Chemistry from the Hebrew University, Jerusalem, Israel, and her Ph.D. from the Hebrew University. We believe Prof. Arnon is qualified to serve on our board of directors because of her extensive technical and industry background.
